Honorable members of the Connecticut legislature,

I ask you to oppose SB16 "An Act Addressing Gun violence And Juvenile Crime"

I view this proposed legislation an egregious violation of my 2<sup>nd</sup> amendment rights. In the State of Connecticut. It is an outrageous overreach by Governor LaMonte.

To the best of my knowledge, the firearm classification of "Other" has not been involved in a single crime in the State of Connecticut. And by Connecticut Law, may only be obtained through a licensed firearms dealer by a person with a valid Connecticut Pistol Permit. To suggest these firearms are easily obtained by the general public is a complete fabrication.

I vehemently oppose this proposed legislation of SB16 "An Act Addressing Gun Violence And Juvenile Crime." And again, I ask you to oppose this Bill.

As a former resident of Hartford for over 30 years in the Charter Oak Avenue and John Street neighborhoods. There is nothing I see in this Bill that will curtail Gun violence and/or juvenile crime in my former neighborhood.

Thank you for your time.

Sincerely,

Stephan E. Liszka
